Description

The functional and aesthetically pleasing D211-LED is ideal for buildings, backyards, parks, signs, sports fields, and other general applications where flood lighting may come into use. Also suitable for accent, facade, landscape, parking lot, pathway, recreation, retail and security lighting.

Features

- Rugged cast aluminium "round back" housing protects internal components.
- Die-cast aluminium door with twin screw enclosure and hinged bottom.
- Tempered, impact resistant glass lens with weather tight gasket seal.
- Large .5" universal aiming swivel knuckle with various mounting adapters
- Slip Fitter mounting bracket designed to fit 2 3/8" pole
- Wide, uniform beam for signs, facades and small areas.
- Bronze or white protective powder coated finish.
- DLC listed for utility rebates (see matrix on Page 3 for more)
