Description

The D400-LED small wall pack features a low-profile, compact design ideal for security, accent and perimeter lighting in areas such as building facades, entrance ways, garage doors, indoor parking garages, tunnels, overpasses and alleys. Available as a build-to-order fixture or in a Quickship model (see Page 3 for ordering code).

Features

- Traditional styling paired with next-generation LED performance at 111 lm/W
- Heavy duty two piece, die-cast aluminum housing.
- Type IV light distribution
- Silicone gasketing provides protection against moisture.
- Mounts directly to 3.5" octagon or 4" square outlet box.
- .5" NPS tapped holes provided in three locations for surface conduit entry or optional photo control.
- Dark bronze polyester powder coated finish for impact, corrosion and UV resistance.
- CSA listed for wet locations, IP55 rated
- Integral cast-in aluminum hinges permit complete removal of lens frame assembly without tools.
- Clear prismatic borosilicate glass refractor is thermal and shock resistant.
- DLC listed for utility rebates (see table on pg 3 for models listed)
