### Description

The D414-LED square wall pack is ideal for general illumination in vandal prone areas where safety and security are a concern, including parking garages, motels, schools and apartment complexes. The D414-LED luminaire is available with a variety of lumen packages, color temperatures, and paint finishes to choose from, making it a versatile go-to choice for a wide range of exterior lighting applications seeking to reduce energy consumption.

### Features

- Housing: die-cast aluminum housing and front frame with Hood
- Lens: clear polycarbonate prismatic lens
- Paint Finish: textured architectural powdercoat over a 10-step chromate conversion coating process for maximum environmental durability
- Reflector is specular anodized aluminum & provides precise cutoff.
- Mounts directly Over a 4" Recessed Outlet Box or 1/2" Surface Conduit.
- 1/2" Coin Plugs with O-rings for Conduit and Photocell
- Approx. Weight: 15 lbs.
- Type IV short IES distribution

# D414-LED
