Description

The DECO DRT-6 Lumen+ unit is an six-inch LED recessed downlight kit delivering high performance white light optimized for new construction and retrofit applications. Installation is done quickly and easily in most standard eight-inch frames. The top-quality DRT-6 Series provides excellent color rendering (94 CRI) at 4000K. LEDs have virtually no UV or infrared radiation to damage or fade furnishings, art or other objects. Optical Design Optical design efficiently directs light output in an 80° beam angle with low glare.

Features

- Operating temperature range between -24°C and +45°C
- Suitable for indoor use, including dry, damp and wet location environments.
- Not intended for use with emergency light fixtures or exit lights.
- Designed to install in standard 5-6" mounting frames
- Dimming Standard (at 120V line voltage only)
See list of compatible dimmers on Page 3
- CRI: 94, R9 Value: 59
- Power Factor: > 0.95; Total Harmonic Distortion: < 20%
- System Wattage: 13.9

90-180	1.50	1.0%	0.1%
0-180	1,002.8	99.8%	100%

Installation

1. Shut off power before installation. Cut a corresponding hole in the ceiling. A template is provided to assist with laying out the hole location. When running the supply wire(s), allow an additional 18 in. of wire at each installation in order to make the electrical connections on the room side of the ceiling hole.
2. Remove the junction box screw(s) holding the junction box cover. Pass the supply wire(s) through the appropriate knockout hole on junction box. Make the electrical connection to fit inside the junction box following the electrical connections. Make sure all connections are secure, tuck all wires inside Junction Box and reinstall junction box cover using junction box screws.
3. Press the top portion of the remodel clips against the side of the housing assembly.
4. Push the housing assembly with the top side of the remodel clips through the hole until tight. Continue to push the housing assembly until the fixture snaps into place with the trim tight against the ceiling surface.
